Experience Bavaria

Your choice of trips featuring Oktoberfest celebrations, Danube Gorge explorations, or enchanted Christmas market tours and more!

With so much to do you could experience fantastic Franconia and Oktoberfest! Culminating at Munich's famous Oktoberfest, we first visit the UNESCO World Heritage city of Bamberg. Renowned for its baroque architecture and its famous breweries, we stay in an active brewery! You can opt to visit the Weyermann Malt factory & you will enjoy the famous smoked beer from Schlenkerla and more! We also cruise on the Danube to the Weltenburg Monastery with its famous dark beer, plus we have a private tour of the whimsical Kuchlbauer Brewery.

You can explore the majestic mountain peaks of the Alps and spend a day at Neuschwanstein Castle as part of our Oktoberfest Wiesn Kompakt tour. Or experience the famous German Christmas markets with our classic tour that visits the most traditional of the Bavarian markets.
